Dragana Knezić, Croatia

Works in the non-profit Rehabilitation Centre for Stress and Trauma (RCT) in
Zagreb, Croatia as program coordinator, psychologist, and human rights activist.
RCT is a member organization of International Rehabilitation Council for Torture
Survivors. Dragana practices SFBT since 2016 in her work with refugees, torture
and trauma survivors and other underprivileged individuals and groups. Co-
authored Short-term Solution Focused Group Intervention for Refugee Torture
Survivors. She is a member of the EBTA International Cooperation Task Group. Co-
chairs the Advocacy & Networking Work Group in Coalition for Refugees &
Migrants Mental Health (CoReMH), a network of organizations working on mental
health and human rights protection of people on the move. She conducts
research on and advocates universal accessibility of basic social services, including
mental health services.
